

Riverhead Brewing Company
631 Fortune Crescent, Unit 10
Kingston, Ontario
K7P 0L5

Job posting closing date: March 11th, 2020 at 5pm.

Position: Brewer

Riverhead Brewing Co. is located in the vibrant city of Kingston and looking for a creative, hardworking and energetic individual to assist in the growth of our brewery. The brewery premises includes a retail/tap room with visibility into our production brewery, which includes a 20HL brew house.

We look forward to hearing from qualified candidates.

Job Description:

In this position, the successful candidate will report directly to the Brewery Operations Manager and work closely with the brewery team and assist in all brewery operations, including cellaring, yeast management, packaging, cleaning, filtering, documentation, carbonation, and brewing on our 20HL brewhouse. In addition to brewery operations, assistance in our retail tap room, deliveries and beer festivals will be required when needed. The ideal candidate places significant importance on brewery safety, efficiency, and quality control. The candidate must have a strong work ethic and a positive attitude and desire to grow.

Responsibilities:

- Brewery operations, including but not limited to cellaring, yeast management, packaging, cleaning (CIP), filtering, carbonation, documentation, and brewing
- Record keeping of production, finished inventory, and materials in line with Riverhead Brewing Co. guidelines
- Deliveries to local commercial accounts, The Beer Store and LCBO locations
- Work in the retail taproom serving customers when not required in the brewery.
- Safely handle and use cleaning chemicals
- Lab testing and quality control (including sensory evaluation)
- Recipe creation

- Motivate and educate all members of the Riverhead Brewing Co. Team regarding beer production
- Represent Riverhead Brewing Co. consistent with its brand when dealing directly with the public through assisting at beer festivals/special events, retail taproom and tours when needed.
- Perform regular equipment maintenance

Qualifications:

- A completed degree from a recognized brewing school
- Five years of production brewery experience (in lieu of completed degree)
- Must have a valid Ontario driver's license
- Ability to work in a fast pace, constantly changing work environment
- Ability to work a flexible schedule including weekends
- Strong mechanical and problem solving skills
- Familiar with MS Office and possess good communication skills
- Basic lab testing, including cell counts and contamination testing

Physical Requirements:

- Ability to stand for the duration of work shifts (approximately 8hrs)
- Able to repeatedly lift 25kg, and ability to lift 75kg
- Able to step over hoses, kneel, twist and bend to reach valves
